

## Town Report

FEBRUARY, 2013

- The Town hosted the Placer County & City Officials dinner at Café Zorro's on January 31<sup>st</sup> and Mike McKeever, Chief Executive Officer with SACOG, was the speaker on "Rural Urban Connection Strategies and the Food System Collaborative." Several members of the Legislature as well as other County and City officials were in attendance.
- An audit report on the Loomis Downtown Park was completed by the California Department of Parks and Recreation. The auditors found no exceptions and gave the Town a letter of congratulations for a successful project.
- The Town Manager met with the Loomis Union School District Superintendent, Sheriff, Fire and Sierra College Security staff to discuss school safety issues. We will be meeting again to make sure emergency plans are in place.
- The Town Manager and Councilmember Calvert attended the January LOCC Environmental Quality Policy Committee meeting in Sacramento.
- The Loomis Basin Chamber of Commerce awarded the Town of Loomis for "Outstanding Service to the Loomis Basin Community"
- The Public Works Director and Town Manager met with staff from PG&E to seek information on what projects would the Town be eligible for using Rule 20 undergrounding funds.
- Staff and Town Manager met with members of SACOG to discuss the possibility of installing a Plug in Electric Vehicle charging station at the multi modal parking lot
- The Mayor, Town Manager and staff met with a company who wishes to contract with the Town for placement of Cell antennae on Town facilities (scheduled for March Town Council meeting)
- The Town Manager attended the annual LOCC Town Manager Department conference.
- The Town Council held the annual Goal and Strategic Plan Setting workshop on Saturday February 2<sup>nd</sup>. A great deal of focus was on things the Town could do to help improve the local economy.
- A great deal of interest has been generated lately for development on vacant properties within Town limits. This appears to be the case all around the state, which is a sign the economy is on the upswing.
- There are 10 active code enforcement items.

Public Works Department:

- Grand Sierra Construction working on the Nancy Beck Plaza Project.
- Received final invoicing to Caltrans for \$202,589.67 CMAQ funding for the Multi-Modal parking facility (Aka Blue Anchor Park)
